## Day Runner calendar refills and planners are back!

The 2005 Day Runner calendars and planners were not available thru GSA Global Supply since they were made in China (a non-trade agreement country). For 2006 the Day Runner NSN's listed on the chart below are being specially produced for GSA in an acceptable Country of Origin. Please note that Day Runner accessory items will not be available since customer demand was too low to warrant a special production run.

**Note:** All Day Runner products will be available after September 15, 2005.
