WARRANTY AND PRODUCT RETURN INFORMATION

Mustang Survival warrants Mustang products to be free from defects in materials and workmanship for one year (12 months) from date of purchase. Mustang Survival will arrange for shipping defective product back to its factory for repair or replacement and will prepay shipping to have the product returned to the end user.

Please contact Mustang Survival before returning product, so we may arrange the most efficient method to satisfy your requirements. We will issue a Product Return Authorization upon notification. Should you have any questions about its warranty or need to arrange a return, please contact us, toll-free, at (800) 526-0532.

There will be no refunds or exchanges on products that have been customized or modified. This includes silk-screening, patches, or name tags.

Contact Mustang Survival for information regarding minimum quantities on special request items, or color and fabric changes.

Mustang Survival has a policy of continuous improvement and reserves the right to modify products or features at any time.
