Thomasville, a renowned resource for quality crafted furniture, has held GSA contracts and served the special needs of government since 1984.

Thomasville's **Packaged Furniture Contract** provides maximum flexibility to the ordering activity. Thomasville's representatives can coordinate each phase of a project from initial room layout and furniture selection to the actual installation of the items in the facility. They can create a customized color package for the project and provide various accessory items to complement each room. Accessories include bedspreads, window treatments, wall art, artificial plants, lamps, carpet, mattresses and more.

The reasons Thomasville is a **Best Value Choice** include:

- A product line that combines the look and feel of residential furniture with the function and durability required to meet the needs of the military environment.
- A dedicated and experienced government sales force handling project coordination
- Rigorous testing that monitors construction quality and ensures product performance
- 1.5 million square feet of warehouse space to ensure product availability

For craftsmanship you can see and quality you can depend on, look to **Thomasville Contract**.
