Contractor: Columbia ParCar Corp. | A Member of the Nordic Group of Companies, Ltd.

1115 Commercial Ave. Reedsburg, WI 53959 | P: 800.222.4653 | P: 608.524.8888 | F: 608.524.8380 | www.parcars.com

General Leasing Provisions

A. Payment Terms:

First and last lease payment due prior to shipment.
Remainder of payments are due Net 30 in arrears.

B. Terms and Conditions of Operational Costs:

Customer to provide fuel, maintenance, insurance and tags.

C. Excess Usage Charges:

Lease is based on 350 "Pedal Hours" per year, with excess charge beyond 350 hours per year, calculated at the rate of \$3.30 per additional "Pedal Hour."

D. Cancellation:

Any lease written for longer than one year, if cancelled prior to the contracted term of the lease, will revert to the next shorter lease pricing schedule.

For example, if a three-year lease is terminated after 27 months, the pricing will revert to the Two-year pricing schedule for the entire 27 months.

The customer will be invoiced the difference for the number of months the vehicles were actually under contract. Any portion of a month that a vehicle remains under lease will be billed at the full, monthly rate. Any lease written for one year will be billed for the entire 12 months, which will become due and payable should the lease be terminated early.

E. Pedal Hours:

"Pedal Hours" are the actual hours measured by the vehicle operating system; recording the time the accelerator pedal is actually depressed / engaged.

F. Option to Extend:

Customer has the option to extend the original lease term for a term equal to or greater than the length of the original lease at a monthly rate equal to 70% of the original lease payment.

G. Acts of God:

Vehicles damaged as a result of an Act of God (i.e. hail storms, floods, etc.) shall be repaired and paid for by the lessee.

H. Accidents and Theft:

The lessee shall notify the Contractor within five (5) days of accident or theft and will arrange for repairs of damage, including damage sustained to stolen equipment during the period prior to recovery. The contractor will not be required to provide replacement vehicles during the period the equipment is out of service. If a vehicle is damaged beyond repair or not recovered thirty (30) days after the date of theft, the Contractor will be reimbursed the residual value of the vehicle at the time of the theft or accident. The lessee's liability to pay the monthly cost shall cease as of the time of the accident or theft.

Contractor: Columbia ParCar Corp. | *A Member of the Nordic Group of Companies, Ltd.*

General Leasing Provisions (*continued*)

I. Return of Equipment:

At least thirty (30) days prior to the expiration or termination of the lease, the lessee will contact the contractor to determine whether the vehicle(s) should be returned to the same place where delivery was accomplished or to a destination mutually agreeable to both parties.

The contractor or its representative shall be responsible for performing an appraisal as to the condition of each vehicle prior to its removal from Government custody and shall furnish to the lessee a copy of the appraisal report, signed and dated by both the Government representative and the contractor or its representative. The appraisal report shall include the record of the vehicle controller's total pedal hours for the purposes of calculating any "excess usage charges" which may be due. The lessee will assume full responsibility for reconditioning the vehicle(s), excluding normal wear and tear as defined below, at lessee's expense. The lessee will not be responsible for damage not listed on the appraisal report.

Vehicles will be returned to the Contractor or its representative for this inspection no later than five (5) days after termination or expiration of the contract period for that vehicle.

For purposes of any lease entered into under any orders against the contract awarded under this solicitation, normal wear and tear is defined as those dents, dings, paint chips, scratches, pitted, but not cracked windshields and interior wear such as soiled seats normally accrued to a motor vehicle used in both rural and metropolitan areas over a period equal to the term of the lease.

J. Billing:

Payment shall be made by the paying office shown on each delivery order issued in accordance with the payment terms reflected in "A" above.

Charges shall be paid on a monthly basis upon the receipt of an invoice showing (1) vehicle identification number; (2) agency delivery order number, and (3) the month for which each charge contained on the invoice is applicable.

Invoice shall be submitted by the Contractor to the paying office indicated on each delivery order.

Excess usage charges (as defined in "C" above) may be billed annually or at the end of the lease. Excess usage charges are due Net 30 days after receipt of invoice.

K. Maintenance:

The lessee shall keep and maintain each vehicle in normal operation condition. The lessee shall be responsible for the performance of all service, maintenance and repair (except as covered by the manufacturer's warranty) required for the continued validation of the vehicle warranty. The lessee shall furnish any and all consumables necessary for the operation of the vehicle according to the manufacturer's specification and shall furnish any and all other maintenance or service desired which is not specifically the obligation of the Contractor.
